What is GCSE Art, Craft & Design?

Portfolio
120
marks
60%

How do you
obtain a GCSE
in Art?

Set Task
(exam)
80 marks
40%

Students will develop this folder throughout year 10 and the first term of year 11.

Both projects follow the criteria A01-A04.
This is a practical course.

This is the second project which starts in January of year 11. The 10 hour exam is April of Year 11.

Success in Art:

To be successful in Art, students need to:

- Show a personal response to the projects, providing their ideas and be open to experimentation and feedback.
- Complete at least 1 hour of homework per week which links to their chosen project.
- Learn how to present their work with sophistication.
- Want to achieve a grade 4+

Links to other subjects:

- Engineering
- ICT
- English
- Geography
- History
- Maths

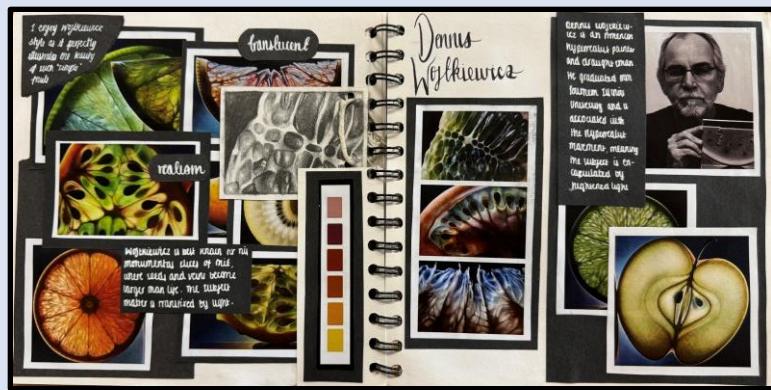

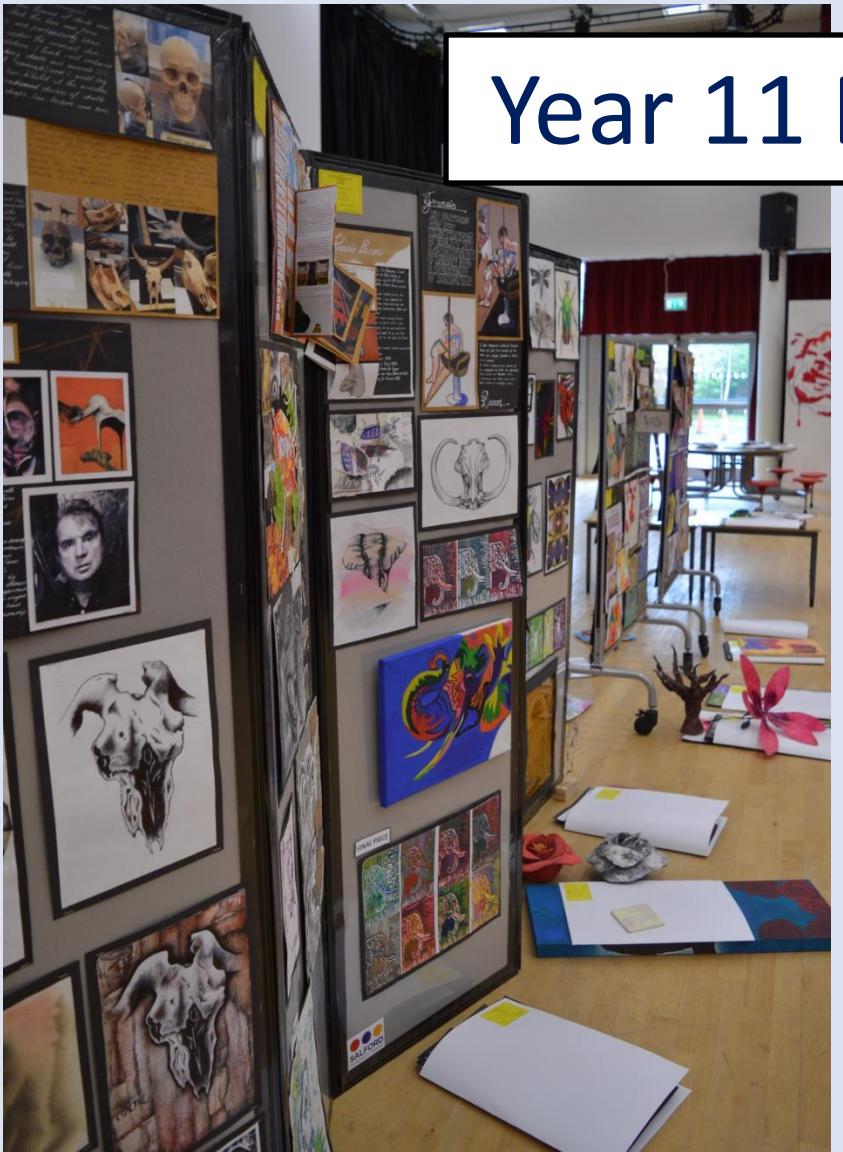

Jennifer Counts is a fine art artist specialised in painting agricultural animal portraits.

She paints using acrylics, solid colours and portraiture the emotion of these animals as animal expression.

In addition she uses oil to achieve a realistic approach and to portray the delicacy of their features.

Year 11 Exhibition

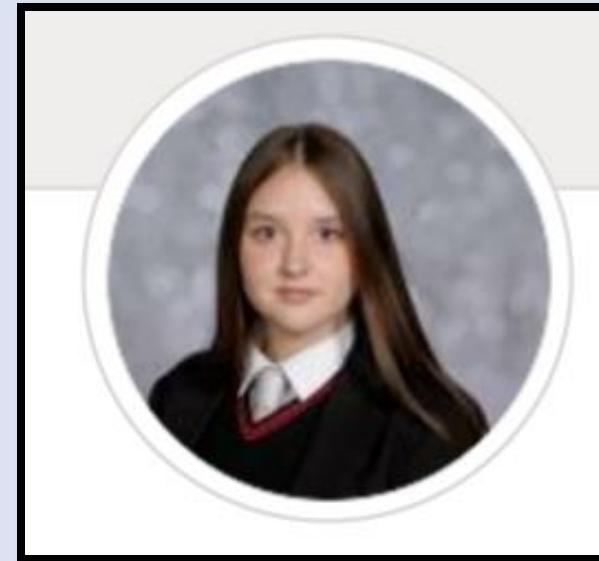

Why should I choose Art?

Kim

I chose Art as it's my favourite hobby and I have drawn since I was young.

Kayla

I chose Art because I'm a very eccentric person and it gives me a lot of creative freedom in my work.

Why should I pick Art as GCSE?

- Students **want to** achieve or exceed your target grade.
- Students have **creative ability** in **drawing** or **making** or enjoy the subject.
- Students can work **independently** and research their own projects and ideas.
- Students want to work in a calm environment.
- Students want to be involved in lunch time/ after school art activities, work with artists and participate on school trips.
