This policy is reviewed regularly by the Academy's management team and the governing body as legally required.

Admission Arrangements

The Academy accepts students of all faiths and none. Stockport Academy offers free education for up to 180 students in Year 7 to Year 11. Every place is free of charge and open to students of all abilities.

The Academy will admit students per year in the relevant age group if sufficient applications are received. Where fewer applications than the PAN (Published Admission Number) are received in any one year group, the Academy will offer places to all those who have applied unless the application is defined as an exception.

The Academy may set a higher admission number than its PAN (Published Admission Number) for any specific year after consultation with; the LA, other named admission authorities within the LA, the governing body and any primary or secondary schools within the area required for consultation. The Academy will consider any comments from those consulted and confirm admissions arrangements by the 15th April for the upcoming academic year.

Students may be given priority if they are; children in public care (Children Looked After) have a Statement of Special Educational Needs (SEN) naming Stockport Academy and children for whom it is essential they be admitted because of special circumstances relating to medical and social needs. Details regarding the allocation of places in case of oversubscription are set out below.

Allocation of places in instances of over-subscription

Where the number of applications for admission exceeds the number of places available applications will be considered against the criteria set out below;

- Students with a statement of special educational needs that names the Academy in the statement will be given a special priority over other admissions.
- Children in public care at the time of application (Children Looked After)
- Children who have specific medical needs, social needs and special needs where the application is supported by written professional advice. The Academy reserves the right to request a second opinion if appropriate. The significant specific need which parents may ask to be taken into account must relate directly to the student and be significant to the extent that it will or is likely to have an impact on the ability of the student to access an alternative provision of education.
- Siblings of pupils who will be attending the Academy on the proposed start date. The term 'sibling' means a full, step, half, adopted brother or sister – cousins will not be taken into consideration. The Academy reserves the right to ask for proof of relationship.
- Children whose permanent address is nearest to the Academy. The permanent address is that where the student normally sleeps and from where they would travel to and from school. The distance will be determined by the distance between the place of residence and the Academy building. Proof of residence may be requested at any time throughout the admissions process. If false or misleading information is used to gain entry to the Academy the offer of a place may be withdrawn.

There is no selection by either ability or aptitude for a specialism.

Operation of a waiting list

Where there are more applications for places than it can offer the Academy will operate a waiting list. The list will be open to any parent who requests for their son/daughter's name to be placed on the list following an unsuccessful original application.

Students on the waiting list will be places based on the oversubscription criteria outlined above.

Appeals

Parents do have the right of appeal to an Independent Appeal Panel if they are dissatisfied with the decision taken by the Academy. The arrangements for appeal will be in keeping with the code of practice for appeals published by the Department for Education. The appeals panel will be impartial, and the decision made will be binding for all parties.

If you wish to appeal against a decision regarding admissions, you will be asked to put your appeal in writing to the governing local education authority please contact Principal PA Mrs J Wood who will provide further information and support if required.

In Year Admissions / Admissions to Year Groups other than year 7

The Academy will consider applications submitted for year groups other than year 7 and applications for entry mid-year, if the year group has a place available.

Admission will follow interview of the student/parents by the Principal. The Academy may oppose admission to the Academy of a student who has displayed challenging behaviour on the grounds that this will impact on the best interest on others in the Academy community. If this is the case the Academy will raise any concerns with the Local Authority Fair Access Protocol.

Parents whose application is turned down will be entitled to appeal; they will be asked to clearly outline their reasons in writing for the governing body/local education authority. Parents who wish to appeal against decisions regarding admissions outside of the usual round should contact the Principals PA Mrs J Wood for further information and support if required.
